Elliot Newton - Conservationist. Naturalist. Campaigner. Creative Director at AFON (A Focus on Nature) with a mission to connect, support and inspire young people and provide a voice for the youth conservation movement.

VOYAGE - A social justice charity that aims to EMPOWER marginalised black young people and provide them with the self-awareness and motivation to TRANSFORM themselves and their communities.

Brenda Puech - Brenda is recognised for transforming a parking space outside her home into a mini park - or 'parklet' - creating a game-changing innovative use of street space spreading around London.

Leif Bersweden - author of The Orchid Hunter and Winter Trees. In a world where an interest in botany is becoming increasingly rare, he wants to help put plants back on the map

Kabir Kaul - 14 year old birder, wildlife enthusiast, conservationist, National Park City Champion. Obsessed with London and its wild side.

Ella Fleetwood - A dance artist exploring our relationship to the environment and climate change through outdoor dance.

Neil Underwood, The Sharks - Helping young and old get onto the water and looking back to the land with different eyes.

Kuumba kids, Project Yogi & Nicstars - Using Mindfulness, mindful movement, holistic education and the creative arts and crafts to encourage young Londoners to spend more time in nature.

Alexandra Petropoulos - Alexandra is a journalist, comedian, editor and musician. When not writing weird stories about trees falling in love, she is the deputy editor at the music magazine Songlines ...and more!
